

# ANGARA Ring Sizer

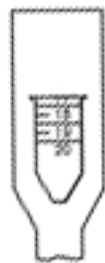

**To use the ANGARA Ring Sizer, follow these 7 simple steps:**

- 1) Print the form and make sure to uncheck the "fit to page" option that your printer may offer
- 2) Cut out the sizer template
- 3) Cut a slot along the red line
- 4) Roll the sizer into a circle, numbers facing outside
- 5) Insert the narrow end through the slot
- 6) Place sizer around your finger and pull the paper until you achieve a snug fit
- 7) Read your finger size on the scale

**Example shows  
size 17**

**Example shows  
size 17 1/2**
